

Earn Your Rating

Event for First-time Tournament Players

An introduction to rated chess. Questions and answers followed by a four-round tournament where players earn an official chess rating from the US Chess Federation.

The “New Player” event is free, but to play in the tournament, players will need to join the US Chess Federation, and this can be done at the event. One year membership prices:

- \$40 for ages 25 and up
- \$26 for ages 16-24
- \$22 for ages 13-15
- \$17 for ages 12 and under

Adults or Kids?

This is an ‘adult’ event, but there are no age restrictions. About half of the players in our ‘adult’ chess events are under the age of 18.
